

Dear Community Supporter:

The Friends & Foundation of the Albany Public Library is proud to present the Centennial Celebration on Saturday, October 21, 2023 at 1100 Madison Ave, Albany, NY. This year, we are thrilled to be celebrating the Albany Public Library's 100th year of service to the community, including special events, programs and activities at all seven branches in the months ahead, culminating in our Centennial Celebration in October!

Please join us as a sponsor for the Centennial Celebration of the Albany Public Library. Your support means we can fund programs like #KeepAlbanyConnected, which extends free APL WiFi beyond the walls of library branches; Branching Out, a mural and performance program supported by the American Library Association, led by Jade Warrick and YouthFX; free concerts in the Bach Branch Garden this summer; and free Albany Public Library centennial festivities at Howe and Delaware in May and June.

Your contribution supports Albany-made creativity in the public library and ensures APL has the resources needed to serve the community for the next 100 years.

Please pledge your sponsorship for this event today. We look forward to celebrating with you in October!

Sincerely,

DTraecelle Carter, President
